

Connecting Worlds

Healthcare Clowning International Meeting
20 - 22 April 2022 The Hague | The Netherlands

Develop yourself as a care professional by connecting to the world of healthcare clowning.

Come to HCIM, a world where humanizing care is top priority!

Healthcare clowns are **effective in stress reduction**. When you embrace their help they can provide significant skills by introducing the **benefits of humor and enhance inter collegial cooperation**.

By **co-creating** with shared values around a common mission, exchanging knowledge, combining capabilities and connecting networks, we can **increase our impact** in the world.

Let's connect worlds, connect people and change spaces.

...the world of healthcare clowning by participating plenary and parallel sessions that have been developed all around the world for **care professionals** and the institutions in which they work.

Learn about the growing number of studies proving that healthcare clowns have a **genuine positive impact** on mental and physical health.

Get inspired by

'We use our techniques to try to transform, not just the individual, but also the system in which they find themselves.'

Anne Basting
Founder/President of timeSlips
Creative Storytelling

'When you are admitted to a hospital, especially as a kid, you are affected in many different ways. We are working together to find new ways to improve the quality of life of patients when they are undergoing treatments.'

Thomas Frandsen,
Chief Medical Project Officer at
BørneRiget

Lars Hyldgaard Olesen
Program Director at Ole Kirk's
Foundation

'They might play a major role in teaching other healthcare professionals.'

Piet Leroy
Director of Pediatric Procedural
Sedation unit at Maastricht
University Medical Center
